## **Château Lafon-Menaut 2006**

**\$14.99** per bottle **or \$161.89** per case

This white Bordeaux is a very exciting wine. The owner of esteemed Pessac-Léognan producer Château Carbonnieux also owns **Lafon-Menaut** and this wine has all of the great character we look for in a white Bordeaux: smoky and rich with exotic flavors that come from the high portion of Sémillon and the oak aging. This is a white you can drink now or save for a year or two and have a splendid wine anytime.

## Renato Corino Barbera d'Alba 2006

**\$14.99** per bottle or **\$161.89** per case

The Corino family estate gives us fewer than 500 cases of this wine each year. As is typical with Barbera, this wine has great deep fruit and a long pure finish, making it a terrific match for spicy food or for a real treat. Try it with a simple roast chicken. The hearty rich chicken with this velvety soft Barbera is a match made in heaven!
