Sepp Moser Riesling 2006

\$13.99 per bottle **or \$151.09** per case

This Austrian producer has been a regular provider in our Grüner Veltliner selection and the Riesling has made a few appearances over the years. But, this **2006** stole the show at a recent tasting and we plugged it in instantly as our **November Wine of the Month**. Rich and broad, it is quite dry but has a soft texture. It's not overly tart making it rich enough to match up with turkey and all the fixin's!

Montinore Pinot Noir 2006

\$15.99 per bottle **or** **\$172.69** per case

This winery in Oregon's Willamette Valley is devoted to Biodynamic and Sustainable farming. Even this modestly priced wine is 100% from their Estate and treated with great care. Elegant and soft with great cherry flavors, the balance here is excellent and, it has enough lovely fruit flavors to stand up to the excess of flavors on the Thanksgiving table. This is a tremendous value!
