Domaine Beauvais Chablis 2007

\$13.99 per bottle **or** **\$151.09** per case

Chablis is something that has gotten more and more expensive over the past few years. Finally one comes along that is excellent quality and at the appropriate price! **Beauvais** gives us a clean, bright Chardonnay with some of the gorgeous seashell aromas and tight mineral flavor. It is just a lovely, pure expression of Chardonnay that will match up perfectly with seafood of all types!

Castello di Farnatella Chianti 2006

\$13.99 per bottle **or** **\$151.09** per case

Chianti remains a huge category with many offerings and value can be found in the right spot. The best spot for value right now is from **Castello di Farnatella**. The Chianti Colli Senesi is located just over the hills from Chianti Classico. The grape varieties are the same, but Farnatella has Franco Bernebei—a top-notch winemaker. And with him, you hit home runs! This Chianti is bright—the way it should be. It also has a smooth quality and excellent finish. This is a tremendous value! Bring on the spaghetti and meatballs!
