

Wines ^{of} the Month

Walking through a vineyard, the grapes you see look pretty much like grapes on a vine. But to Michael J. Quinlan, Jr., he sees the grapes as the beginning of a wonderful glass of wine. Our Wines of the Month are carefully chosen by Michael so that he can proudly show off the tremendous selection available in our store, and highlight great wines you may not be familiar with...yet!

Heartland Shiraz 2006

\$13.99 per bottle **or \$151.09** per case

Heartland is a project made by the folks from Glaetzer, one of Australia's most exciting producers. With a slightly different take on Shiraz, Heartland has made a wine that is powerful and structured. Positive tannin influence gives the wine more frame and a drier taste. That said—it has loads of blueberry flavors along with typical black pepper notes.

**Marc Kreydenweiss
Pinot Blanc 2005**

\$11.99 per bottle **or \$129.49** per case

This estate has been producing wines in the Alsace region for 350 years and this particular Pinot Blanc comes from the 25-year-old vines of the single vineyard Kritt. It is simply a stunning wine with brilliant aromas of pears and peaches that leads to vibrant acidity and a clean, refreshing finish. Intense but not a bit overbearing, *this is an outrageous value* and is just what we needed to beat the dog days of summer!

**Commanderie de Bargemone
Rosé 2008**

\$12.99 per bottle **or \$140.29** per case

Always a favorite here at Table & Vine, we couldn't have a Rosé of the Month and not include Bargemone. As usual, this is a bright and fun Rosé with the fruity character of Grenache and the earthy, more serious overtones of Cinsault. Try this on a warm summer evening with *Ratatouille* made from fresh, ripe vegetables...now that makes for a great night!
