

# Wines of the Month

*Walking through a vineyard, the grapes you see look pretty much like grapes on a vine. But to Michael J. Quinlan, Jr., he sees the grapes as the beginning of a wonderful glass of wine. Our Wines of the Month are carefully chosen by Michael so that he can proudly show off the tremendous selection available in our store, and highlight great wines you may not be familiar with...yet!*

*September 2009*

**Stoneleigh Pinot Noir 2007**

**\$14.99** per bottle **or \$161.89** per case

Gorgeous! That was the first thing that came to mind when we tasted this wine. It is rich but pure. This is exactly what New Zealand does so well...they give us a lovely, pure wine with little to no oak influence that is not wimpy. We've heard about New Zealand Pinot Noir for quite some time now and even tasted a few good ones. But, *this might be the best under \$20 we have from anywhere!*

**Eyrie Vineyards**

**Pinot Blanc 2007**

**\$14.99** per bottle **or \$161.89** per case

Recently, Jason Lett visited Table & Vine with the current offerings from his Eyrie Vineyards. The Pinot Blanc is a total winner and fits wonderfully into our September Wines of the Month offerings. It is fresh and fun with loads of peach and nectarine flavors. *It is the perfect wine for making summer last a few more days!*

**Victory Zinfandel 2007**

**\$17.99** per bottle **or \$194.29** per case

Victory Vineyards Zinfandel is a blend of three vineyard sites, each handled independently until the final blend is produced. The particular fruit style of this wine is juicy and elegant. It is the kind of wine you can enjoy at the table with a grilled steak or even barbeque ribs. *It is just simply a tremendous value!*
