Domaine Guyons Saumur Blanc "Vent du Nord" 2006

\$13.99 per bottle **or** **\$151.09** per case

There is just something special about Chenin Blanc grown in the Loire Valley. The *Vent du Nord* is a *cuvée* that has wonderful balance from the cooling north wind's effect on the grapes. The wine is dry with considerable power. Were it not for the precise Chenin flavors, you could be fooled by the texture into thinking it is white Burgundy. Honey and excellent acidity make this a lovely wine for grilled white fish or spicy take-out when it's too hot to cook.

Fife l'Attitude 39 Red 2005

\$14.99 per bottle **or \$161.89** per case

Founded in 1991, **Fife** is the dream of Dennis Fife to own a winery in California devoted to making wines that express the ability of the climate to achieve ripe grapes, but also to show that the wines can deliver balance. **L'Attitude 39** is a blend modeled after Châteauneuf-du-Pape. It delivers the spice and succulent charm of Châteauneuf, with excellent aromatics and a spicy rich finish. This is a terrific wine for summertime grilled steak!
