

Wines ^{of} the Month

Walking through a vineyard, the grapes you see look pretty much like grapes on a vine. But to Michael J. Quinlan, Jr., he sees the grapes as the beginning of a wonderful glass of wine. Our Wines of the Month are carefully chosen by Michael so that he can proudly show off the tremendous selection available in our store, and highlight great wines you may not be familiar with...yet!

Prelius Morello di Prile 2007

\$14.99 per bottle or \$161.89 per case

From the southern Tuscan region of Maremma, Prelius is a project from the producer of the famed Chianti estate **Castello di Volpaia**. It is not a typical Tuscan red, rather an expression of what this region can do with non-native grapes (Cabernet Sauvignon, Merlot and Cabernet Franc). This is terrific, modern wine that is powerful, yet balanced and has a great, pure taste of the Bordeaux varieties. *Pair this wine with beef stew and give the wine one hour to breathe... what a great dinner it will be!*

Château Cadillac

Bordeaux Blanc 2008

\$11.99 per bottle **or** **\$129.49** per case

Fresh, stainless steel fermented Sauvignon Blanc and some rich Sémillon all wrapped up in an affordable package. We often hear how Bordeaux has become somewhat expensive. But, this is a great wine that is affordable and delicious and no reason to tune out Bordeaux—especially when they provide value like this!

Paolo Saracco

Moscato d'Asti 2009

\$14.99 per bottle **or \$161.89** per case

Moscato has exploded in America and at Table & Vine! In fact, we sold more last year than ever before, so we sought out a few new labels and discovered we were missing the best one from our selection. The Saracco family has been dedicated to the quality production of Moscato for four generations. They've become driven to produce only the best, while Paolo Saracco alone is known as the *Maestro of Moscato*. This is a beautiful, peachy bright wine to enjoy with that someone you love!
