

TABLE & VINE

BEER

of the
MONTH

Every month, our beer staff is pleased to bring you the kind of beers you would expect from a store of Table & Vine's reputation. The world's most unique, exotic and sought after brews somehow always find their way to Table & Vine and in turn, we feature them as our Beer of the Month.

Our Beer of the Month is just the right brew for every reason imaginable. Whether it be a new brewery, a new style, a seasonal brew or just something wild and exciting, you'll ask yourself this... What's the difference between good beer and really great beer? You can purchase good beer just about anywhere. But really great beer... you can only find that at Table & Vine!

Sip by sip or cheer by cheer, you'll always have something to celebrate at Table & Vine!

Smuttynose Brewing Company is the Granite State's leading craft brewery, located in the historic seacoast city of Portsmouth, New Hampshire. Smuttynose was founded in 1994 by the folks who started the Northampton and Portsmouth Breweries. At Smuttynose, they pride themselves on making a wide variety of distinctive beers, from their six full-time beers, to the seasonals, the famous Big Beer Series and the experimental Short Batch Series.
